Logo Mats • Indoor/Outdoor

Berber Impressions mats feature your custom logo or message digitally printed on a Berber mat. These mats are ideal for use as slip-resistant entrance mats to showcase your custom logo or artwork, or in any area where moisture, tracking, or dripping occurs.

- **Durable** – The tight weave of Berber makes it durable enough to withstand heavy foot traffic while scraping dirt and moisture from shoes to minimize tracking.
- **High Definition** – The Berber fabric features a smooth surface that allows for crisp printing definition.
- **Eco-Friendly** – These mats are made with PET (polyethylene terephthalate), a type of polyester yarn that features 85% recycled content reclaimed from plastic drink bottles.
- **Easy to Clean** – PET fabric is naturally resistant to staining.
- **Attractive** – The loop pile “berber” construction features a hobnail design for an upscale look.
- **Safe** – Durable rubber backing helps keep the mat in place to minimize slipping hazards.
- 56 standard color options; choice of smooth or universal cleated rubber backing.
- Intended for indoor or outdoor covered use; not intended for use in direct sunlight as fading will occur.
